How to order

There are a number of ways to place an order (we want to make it easy!)

1. Electronically, using our Secure On-line Shopping Basket. Payments by Credit Card or Paypal
2. E-mail. Simply send us an e-mail list of your order together with your credit card details. If you wish you can split your credit card details between a couple of e-mails for security. Remember to include the credit card number and the expiry date. If we already have your credit card on file, then you may ask us to re-use the information
3. By fax, either using a print out of the on-line order form or in your own format
4. By mail, again either using a print out of the on-line order form or in your own format. If you are in the UK then we can accept payment by cheque.
5. By phone: telephone with your list and give us your payment details.
